

Welcome to BioMetrics

Without YOU, there would be no BioMetrics

I would like to welcome you to BioMetrics. If you are a new patient, you have probably been referred to us by one of your healthcare providers or by one of our patients. In either case, we appreciate their confidence in us and take our responsibility of meeting your needs very seriously. To our returning patients, we are pleased that we have earned your loyalty and another opportunity to provide you with a valued service.

BioMetrics is not a store that sells products; we are a team of healthcare professionals dedicated to providing you with solutions to meet your wants and needs. Our goal is to attain such a high level of patient satisfaction that you will tell your referring healthcare provider and friends about your experience with us.

Our patient care approach is twofold. First, our staff is continuously trained in the latest techniques available to allow us to meet your needs. Second, we recognize that you are an individual with a unique set of circumstances and must be treated as such. Only through listening can we hope to gain a true understanding of your situation and create a treatment plan with your physician that will meet your highest approval.

At BioMetrics, every member of our team works for you. If you have questions about anything, whether it involves paperwork that you are asked to complete, the prosthesis or orthosis we are designing for you, or follow-up care, please ask. If you wish to contact me directly please feel free to call me at (203) 261-1162 or via email at dave@biometricsct.com

We are excited about the opportunity to exceed your expectations.

Sincerely,

David Rooney
